

access to critical early education. Many of my constituents rely on this crucial service to help bridge the education gap.

**Education for Children with Disabilities:** California will lose approximately \$62.9 million for about 760 teachers, aides, and staff who help children with disabilities.

**College Aid and Work-Study Jobs:** Around 9,600 fewer low income students in California, many from my district, would receive aid to help them finance the costs of college and around 3,690 fewer students will get work-study jobs that help them pay for college.

**Law Enforcement and Public Safety Funds:** California will lose about \$1.6 million in Justice Assistance Grants that support law enforcement, prosecution and courts, crime prevention and education, corrections and community corrections, drug treatment and enforcement, and crime victim and witness initiatives.

**Violence Against Women Grants:** California could lose up to \$795,000 to provide services to victims of domestic violence, resulting in up to 3,000 fewer victims being served.

**Protections for Clean Air and Clean Water:** California would lose about \$12.4 million to ensure clean water and air quality, as well as prevent pollution from pesticides and hazardous waste. My district relies on this essential funding to help mitigate the pollution that drifts across the United States-Mexico border.

The most egregious part of the House Republicans' dereliction of legislative duty, is that over the last several months, both Senate and House Democrats have offered fair, balanced plans to avert these damaging cuts. These proposals are built on responsible spending cuts, increased revenues, and job growth.

Yesterday, Representative CHRIS VAN HOLLEN, Ranking Member of the House Budget Committee, fought valiantly to bring a fair and balanced plan to replace the sequester to the floor. His reasonable and responsible plan would have eliminated tax loopholes and adopted the "Buffet Rule" to make sure that wealthy Americans pay their fair share.

Yet House Republicans have adamantly refused to work toward a compromise to reduce the deficit because they refuse to ask the wealthy to pay a little more by closing tax loopholes that benefit the privileged few. Republicans are blissfully content to continue to place millions of jobs at risk, threaten the health and security of middle class families, and put the safety of neighborhoods across the Nation in jeopardy.

I call on my colleagues, the House Republicans, to immediately bring legislation to the floor that would replace the sequester with a balanced plan and protect our Nation's military, working families, seniors, and children from these devastating and unwarranted cuts.

RECOGNITION OF THE 2012 DEPARTMENT OF DEFENSE RESERVE FAMILY READINESS AWARD FOR THE NAVAL OPERATIONS SUPPORT CENTER IN TUCSON, AZ

**HON. RON BARBER**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 27, 2013*

Mr. BARBER. Mr. Speaker, I rise today to honor the Naval Operations Support Center in

Tucson, Arizona, which has been awarded the 2012 Department of Defense Reserve Family Readiness Award.

The Reserve Family Readiness Award was established in 2000 to recognize the dedication of our Reserve and National Guard units to their military families. Winners of the Reserve Family Readiness Award are those units deemed to have the best programs in support of military families. As we can all agree, our military families are critical to total force readiness and deserve to be a top priority.

The care and support of the military family must be a paramount endeavor, especially for a nation that has been at war for over a decade. Family readiness directly impacts force readiness and provides the critical link that enables our service members to complete the mission without having to worry about the well-being of their loved ones back home. Family support systems improve the quality of life and increase morale for those on the homefront. They educate families on military benefits and entitlements, and in times of need can respond quickly and provide assistance. In this regard, the Naval Operations Support Center in Tucson has proven its commitment to its service members and their families.

Last year, the Naval Operations Support Center in Tucson competed against 131 stellar naval commands taking top honors in the category of family readiness. It is my honor to thank them for their service to our country and congratulate them on being selected for the 2012 Department of Defense Reserve Family Readiness Award. Fleet, Family, Fitness!
